

# Indian Creek Summer Learning 2021

Dear Parents/Guardians,

Indian Creek School District is excited to announce that we will be offering a Summer Learning Program in June and July. The purpose of this program is twofold: 1) address any learning gaps/credit deficiency resulting from the Covid-19 pandemic, and 2) extend learning for students at all grade levels.

Grades K-8 will focus on standards-based skills while grades 9-12 will focus on credit recovery. This is a great opportunity for your student to get prepared for next school year and have some fun over the summer.

Transportation will be provided and students will receive breakfast and lunch as a part of the program. Summer Learning for grades K-8 will take place at Indian Creek Middle School while Summer Learning for grades 9-12 will take place at Indian Creek High School.

There will be 18 total sessions and they will run from roughly 9:00 a.m. to 12:00 p.m. Start times may be slightly adjusted due to busing schedules for the students. The schedule is included below. Please complete the attached registration for and return to your school by Friday, May 14.

If you have specific questions, please reach out to your building secretaries and/or principals. We hope to see your students there!
